Signature Themes
No need to spend hours preparing your foliage, untangling lights, and individually placing each ornament when you can purchase some of our beautifully adorned Christmas themes.

Classic Christmas

Our classic Christmas collection captures a vintage holiday style. You'll find elegant embellishments in classic colors for every corner of your decorated space.

Traditional Tidings

Add a touch of holiday cheer to your décor with Traditional Tidings. Evoke magical Christmas memories in a regal display of gold and burgundy.

Candy Cane

Don't have a blue Christmas this year, have a red one instead! Our candy cane collection is the perfect way to make your space feel extra festive.

Christmas Elegance

Christmas Elegance blends classic holiday charm with refined sophistication. Rich gold, soft silver, and timeless accents create a luxurious look that feels both festive and elevated.

Coastal Christmas

Coastal Christmas brings a fresh, breezy take on the holidays inspired by seaside living. Cool blues, crisp whites, and natural textures combine to create a relaxed yet joyful seasonal atmosphere.

Holly Leaf

Holly Leaf is a timeless celebration of traditional Christmas style. Lush greens, vibrant reds, and iconic holly accents come together to create a warm, welcoming look rooted in holiday tradition.

None of the color palettes catching your eye?

Never fear.

All ornament colors are fully interchangeable and can be mixed and matched to create a custom palette tailored to your vision.

This flexibility allows for endless combinations - making it easy to design a cohesive look that aligns perfectly with any brand, theme, or environment.

Custom Gift Tags

These customizable graphics are perfect for your holiday scene. A custom Gift Tag can be placed on any product or space and is available in any shape or size.

Dekra-Lite

Custom GOBOs

Gobo designs can rotate with adjustable speeds. All IPS systems can illuminate a glass or a metal gobo.

Glass Gobos are available in full color designs for added depth and visual interest.
